## OSKOSH 2010

**Over 30 people attend spaghetti night at the camp at Oshkosh.**

**An  
OSPREY  
vertical  
takeoff  
aircraft on  
Aeroshell  
Square**

**A DC-3 from the Discovery Channel program "Ice Pilots" flies into Oshkosh for the 75th anniversary of the DC-3 aircraft**

**A visit to the EAA museum is worth it , for interesting planes such as the Sky-Baby.**

**Shown at left**

# 2010 BBQ - Almost rained out

Drizzle all day and low ceilings, kept fly in guests away from our 2010 BBQ on Sunday Aug 15. James Young in The Tripacer shown above, and Ken Pierce in a 182, managed to make it in.

Martin Bima (aircraft builder and professional musician) and his band "Slip'd Disc" plays at the BBQ.
